This publication can be made available in alternative formats upon request. Please call 651-296-6753 (voice); or the Minnesota State Relay Service at 1-800-627-3529 (TTY) for assistance. Summaries are also available on our website at: www.house.mn/hrd/.

This bill provides that a separate permit is not required for a private truck wash operated as part of a livestock farm, or animal feedlot. A qualifying truck wash would be used only by the feedlot operator for washing trucks used to operate the feedlot or to transport livestock and supplies to and from the feedlot. Feedlot permits are issued by the Minnesota Pollution Control Agency or, for certain state permits, by delegated counties.
